“OSU makes it very easy to travel. It is organized as luxury class, and the groups are friendly and inclusive. It was first class, relaxing and enjoyable! Isn't that what retirement and travel is all about? Even a dream vacation for those still working.”

— Joyce Meiwes, OSUAA Traveler

“This was a wonderful trip. The tour guide was excellent and the group was a lot of fun. Odyssey Unlimited coordinated a very efficient tour with effective use of time. The hotels and meals were also wonderful. The pre trip meeting was very helpful, and it was nice to meet the fellow travelers in advance.”
