

2021 Football Rivalry Game Watch Volunteer Guidelines

Saturday, Nov. 27

Thank you for volunteering to host the Rivalry (OSU vs. U of O) game watch and continuing to be a part of collegiate history! OSU vs. U of O is the fifth most played college football rivalry game, first played 127 years ago in 1894.

As the lead volunteer for this event, we ask you to commit to the following:

- **Find and secure a game watch location.** This can be a bar, restaurant or public place with televisions for Beaver fans to gather and watch the game. It's important to confirm that they have the correct Pac-12 Network that will be showing the Beaver game.
- **Serve as the liaison between the OSUAA and your game watch location.** The OSUAA wants to ensure your game watch a success. To start, a box of decorations and OSU swag will be mailed to you to help decorate your game watch location. Take charge and decorate the location and area where the group will be sitting. Check with the owners in advance about possible specials for Beaver fans.
- **Take pictures.** The OSUAA would love to see your game watch in action! By taking photos of the game watch and sharing them with the OSUAA, you are helping promote game watches everywhere. Upload them to Facebook or Instagram and tag the OSU Alumni Association. Or email your photos to osualum@osualum.com.
- **Keep track of attendance.** We will send you a walk-up sheet and prepaid return envelope in the box. We ask that you have attendees fill out with their name/email. Once the event is over, please send this list back to OSUAA in the envelope provided so we can track engagement.
- **Help promote your location.** The OSUAA will promote your game watch via email, the game watch website pages and on social media. You can help by spreading the word to your Beaver friends and alumni in your area. Talk with the bar/restaurant about advertising the event in house prior to the game.

We greatly appreciate your help and support in bringing Beaver Nation together around this event. We couldn't do it without you. Thanks again and GO BEAVS!
