This year, Oregon State University - Cascades' annual Bend Beav Putting Golf Tournament & Reception raises funds for the Student Emergency Fund, which supports students who face unexpected financial hardship.

The tournament celebrates spring in Central Oregon and the growing community of alumni, students and community members who support OSU-Cascades' mission and its physical and academic expansion. In addition to fun and camaraderie, guests will enjoy the 18-hole putting tournament, hearing from OSU-Cascades' leaders, and a lunch reception.

Your sponsorship will reach up to 12,000 community members directly and many more through local news, social media and on-site branding.

For more information, contact Saoirse Jones at Saoirse.jones@osufoundation.org.

Student Emergency Fund

There are more students with high financial need at OSU-Cascades than the national average. Your support assists students who are experiencing unexpected financial hardship that interferes with academic progress. The emergency fund can help with textbooks, transportation, rent and other essential needs, helping students stay on track to complete their degree.
